### 1<sup>st</sup> Quarter Language and Cultural Connections Log

Spanish 1 students will need 1 connection & reflection per week. Reflections are very important. Reflections tell me about YOU – what you think, how you feel, what you learned, etc. They give me personal insight about YOU. You will not receive credit for activities without personal reflections. Logs are due every Monday. You must turn in your log **on time** for any credit. All work on the language and cultural connections logs is to be completed OUTSIDE of class. Do not come to class expecting to fill in your log and get credit for it. You will not. The log will comprise the majority of your culture grade for this quarter. The easiest way to submit your log will be to email it each week to sra.baedke@gmail.com. I will mark it in the grade book and email it back to you, for you to resend the next week. Since the document will be electronic you may use more or less space as needed. You may also turn in a paper copy of your language and cultural connections log, but you may not get it back as quickly as an electronic copy. See me if email is a problem.
